Council Studies Playground Area

WHEN A SUMMER breeze blew some programs onto the parade square at the Legislative Buildings in Edmonton during a Canadian Army massed band concert, Major General J. M. Rockingham, General Officer Commanding Western Command, who was accompanying Lieutenant Governor J. Percy Page on the reviewing stand, casually asked nearby little Lyn Eddy if she would mind removing the offending piece of paper. Lyn promptly complied and got this perch on the General's knee as her reward.

$23,500 Value Of Dwellings Approved For Construction

LAC LA BICHE — Town Council met Tuesday, June 26, for its regular semi-monthly meeting which lasted until 1:30 a.m. The board of the Lac la Biche school division was present at the invitation of council, for the purpose of discussing the playground area for the new school which is under construction.

The council expressed the view that more land should be added to the grounds while it is available, as they felt the grounds might be too small when the school is completed. The board promised to give the recommendations of the council full consideration, but felt that the need for space was not as urgent as many seemed to think. They pointed out that there is playground area of more than five acres in the school grounds.

Building permits for three new dwellings totalling $23,500, were approved and an addition to a dwelling and a private garage brought the total permits up to $24,800.

A motion was passed instructing the secretary to give notice to all owners of houses being rented, without sewer and water connections, to make the installations in accordance with by-law 298.

An application for permission to open a ladies' wear store was given approval.

Present for the meeting were: Councillors Badry, Bouvier, Shanks, McMillan, Vincent and Wolstenholme, as well as Mayor Maccagno and Secretary Creighton.

LT. COL. D. H. TOMLINSON, MBE, VD, passed away in the Col. Belcher hospital in Calgary on July 1, 1962 after a lengthy illness. Col. Tomlinson served as commissioner to Alberta Division Canadian Red Cross Society for 40 years, retiring from this position on July 1, 1961. Mrs. Gene Hadley, zone chairman for Stony Plain and member of the zoning committee represented her district and the Sun Publishing at the funeral held in Calgary on July 3.

Plamondon Youth Dies In Holiday Weekend Mishap

Ronald Gauthier, 14, of Plamondon died in a traffic accident June 30 near Wabamun. Also killed in the accident were Elaine Botterill, 20, Dale B. Nay and David Woods of Edmonton.

Injured in the mishap were identified as Doris Gauthier, Douglas Gauthier and Roland Gauthier, all of Plamondon. Roland was a twin brother of the dead boy.

Douglas Gauthier underwent surgery for a skull fracture Sunday, July .

Mrs. Gauthier was reported at the Royal Alexandra Hospital to have regained conciousness and has a dislocated hip. Her husband, Douglas, who has also become conscious remains in serious condition, with a fractured arm and leg and with internal injuries.

Roland is reported to have head injuries. His condition is described as good.

The funeral service for Ronald Gauthier was held Wednesday at Plamondon. He is survived by his parents, four brothers, Bernard of Fort Smith, NWT, Roger, Allan and Roland all of Plamondon, a sister, Mrs. Douglas Gauthier of Edson, and his grandparents Mr. and Mrs. Nepoleon Gauthier of Edmonton.

The four persons from Edmonton were occupants of one car and the Gauthiers of the other.

Switzers Honored At Farewell Party

LAC LA BICHE — Mr. and Mrs. W. Switzer who have recently moved to Smoky Lake to open a bake shop were honored by a surprise farewell party before their departure.

Relatives and close friends presented them with a beautiful electric coffee pot. Mrs. W. Hamilton and Mrs. E. Shanks convened the party.

Mr. and Mrs. Switzer who have lived in the district for 12 years will be greatly missed in church and community life.

Their son Herbie accompanied them to their new home.

Shower Honors Shirley Fischer

LAC LA BICHE — Miss Shirley Fischer was guest of honor at a miscellaneous shower held in St. Catherine's rectory, June 27. Some 36 ladies were present for the occasion. Miss Phyllis Cadieux and Miss Reta Marchildon assisted in opening the many lovely gifts.

Hostesses for the evening were Mesdames M. Bouvier. M. Maccagno, L. Badry, H. Marchildon, A. Langevin, W. Tardif and L. Tardif.

Miss Fischer's marriage to Mr. Emile Tardif took place July 4, in St. Catherine's Roman Catholic Church.

RCSSC "Exeter" Represented At West Coast

LAC LA BICHE— Leading Cadets J. Chester, R. Joncas, G. Badry, E. Rudiger, & Able Cadets K. Calvert, G. Cost and B. Cochrane all of Lac la Biche, left June 30 for HMCS Quadra at Comox on Vancouver Island where they will partake in the annual two week naval summer training program. They travelled by bus, train and ocean liner. While at camp, the boys will be taught boat work, sailing, communications and general seamanship.

This is the largest number of representatives sent from the Lac la Biche Sea Cadet Corps for the past five or six years and leaders are certain that any new ideas which they may acquire regarding the Sea Cadet work will be of great assistance in making the local corps a more active and interesting movement for the coming season.

Ladies Honor Randy Jackson

Jock Saidler Dies On Rifle Ranges

Funeral service was held for Jock Saidler, 74, who died of an apparent heart attack on the Winterburn Rifle Ranges while participating in the sport he held dearest of all. He was one of Edmonton's all-time top marksmen.

Jock, a veteran of the first World War and a lifetime member of the Alberta Rifle Association, was twice chosen to Canada's Bisley team. He first made the team back in 1937 and again won out over all competition in 1956. He was born in Scotland.

He also took part in practically every Alberta provincial rifle shoot between 1921 and 1962 and captured Lieut-Governors medals in Quebec Ontario and Alberta down through the years. He scored 104 out of a possible 105 points in a Quebec meet. Jock was a member of the all-Alberta team which won the Macdonald Senior Trophy at the BCRA championships at Ottawa in 1952.

"The best sportsmen in the world," he once said, "can be found on a rifle range."

Low Horsepower Diesel Engines Inexpensive, Powerful For Farm

A new concept in power for the farm and small industrial user has appeared in Alberta. The Yanmar Diesel, a two to eight horsepower engine, combines diesel stamina and economy with maximum use of durable, lightweight alloys, a water evaporation cooling system, a high pressure solid injection fuel system and efficient splash vapor lubrication.

The diesels can be used for generating electricity or powering many kinds of equipment, such as pumps and conveyors. They are expected soon to replace traditional two and four stroke gasoline motors while, while cheaper initially, are more expensive to run.

Under exhaustive tests the Yanmar engines ran unattended for 24 hours a day for 10 days without refueling, the equivalent of running a car at top speed on the highway for 16,500 miles.

All Yanmar engines are dynamometer tested by the Japanese government and are guaranteed. Parts are readily available.

Yamnar motors will be available through Simson-Maxwell of Edmonton. See page 11 of this week's Alberta Country Life for details.

Supper And Dance Honor Sugden School Graduates

McRAE — A supper and dance were held at the Sugden school for the grade nine graduates recently.

The supper was held in the grade nine room, which was beautifully decorated with pink and white flowers. Tables were laid for the 11 graduates and their escorts, the Students' Union president, the school teachers, the counsellor, and their wives, parents. friends and relatives.

After the supper Robert Erickson, acting as chairman, requested a toast from William Anderson, the school counsellor. In his speech Mr. Anderson expressed his thanks to the teachers and parents for their co-operation which enabled them to give the supper. He also expressed his wish to see the grade nine pupils continue their schooling and go as far as possible.

Next a toast was requested by the chairman from William Katerenchuk, president of the students' union. Mr. Katerenchuk also expressed his thanks and extended best wishes to the graduates. He too expressed his wish to see the pupils continue their schooling and finish their high school education.

Last speaker was Tom Hughes, the school principal, who extended his best wishes to the pupils and thanked everyone for their co-operation. He requested of the parents to see that their children studied steadily so that all would pass their exams. The graduates were then presented with a gift from the students' union.

At the dance held at the Sugden hall the music was supplied by the Normandeau Orchestra.

Grade nine graduates are Mary Abramic, Lucille Zaposzosky, Joyce Katerenchuk, Glenda Inscho, Mardell Erickson, Lorraine Eigner, Glennis Gamblin, Emmett Gamblin Dwayne Bentfield, Edwin Whitford and Edward Zaposzosky.

Fork Lake

Little Darrell Kuzma and Dennis Palkun spent a holiday with their grandparents, Mr. and Mrs. Joe Sundermas, while their parents motored to Vancouver to visit relatives.

Grade two and three pupils held their school picnic June 25 at the south end beach. Mrs. Kaufman is their teacher and Joe Sunderman took them in his bus.

Grade four, five and six pupils held their picnic at the south end beach June 26. Mrs. Mulyk is their teacher and George Waine took them in his school bus.

Many campers are now camped at the lake and Mr. and Mrs. Mallock are getting their beach resort fixed up and have boats to rent as well as a cabin or two at the south end.

The trouble with most reformers is that two of them so rarely agree.

TRADITION was reality for a moment at Sarcee Barracks, Alberta, during an inspection of the Lord Strathcona's Horse (Royal Canadian) when the armored regiment's Centurion tanks — their modern "mounts" — rolled past their pennant holding marker on a horse recalling the cavalry days of the regiment. Taking salute (right) of dipping 20-pounder guns is General Officer Commanding Western Command, Major General J. M. Rockingham.

Lee Lorch Elected President Canadian Native Friendship

The slate for the first board of directors of the Canadian Native Friendship Centre of Edmonton was accepted at a general public meeting held Tuesday, June 19 at the Northwestern Utilities Auditorium.

Prof. Lee Lorch of the University of Alberta was unanimously elected as president of the Centre.

Other board personnel are Mrs. H. Belcourt, Mrs. E. H. A. Emery, Mrs. F. J. Johnson, Mrs. J. D. Manning, Mrs. J. Daryl Sturrock, Gerald Amerongen, A. Barore, Eddie Bellerrose, Robert Brower, Pat Breland, A. Callioux, Col. Eric Cormack, Dr. Gordon Hiroboyashi, Stan John, George Prudham, William C. Thomas and Charles Woods. Half of the persons on this board are of aboriginal native background. This is a provision of the constitution.

The constitution was read, discussed and adopted. Reports from the finance and budget committee; the building and site; and the personnel and program were also presented.

For the past year great interest has been shown public-wise by the churches, welfare, service clubs, Citizenship Council, private individuals, Indians, Metis and Eskimo peoples and excellent publicity has been provided.

Dr. Gordon Hirobayashi is to be commended for his efforts as chairman of both the interim and provisional executive committees.

Financial pledges have been submitted by the Junior League, United Churches, Mennonite Church, private individuals, Anglican churches and others.

What we don't know would fill several large books and what we do know is practically nothing.

THE Homemakers

By Bertha M. McCutcheon
District Home Economist, Westlock

The following is a list of questions and answers to some food problems which are met with in the kitchen daily and perhaps will be of some assistance to you:

B. McCutcheon

1. Should the oxide on baking pans be removed? Yes. The dark oxide results in fast conduction of heat and the product, as a result will have a dark, hard crust and an irregular volume as well.

2. If food is spilled in an oven how may this be cleaned by treating overnight? To clean the oven wring a cloth out in cold water, then saturate with household ammonia and place in oven overnight.

3. Why is molasses, and, or tomato added after beans are cooked in the preparing of baked beans? Molasses and or tomato is added at the end of cooking time, otherwise, hardness results due to the presence of acid in tomato and calcium salts in molasses.

4. Why is fruit floured before adding to some batters or dough? Fruit is floured to prevent a watery effect in batters and doughs, to blend ingredients more thoroughly and also to prevent fruits from settling to the bottom.

5. Why are dried fruits covered during cooking? Dried fruits are covered during cooking to preserve the flavor, prevent evaporation of the liquid and also to hasten cooking process.

6. How many tablespoons are there is a cup of dry or wet ingredients? There are 16 level tablespoons of dry ingredients and twelve tablespoons of wet ingredients to a cup.

7. How many cups of butter, lard or hydrogenated shortening are in a pound? There are usually two cups in a pound of the above.

8. When shortening replaces butter, what adjustment is made? When shortening is used as a substitute for butter use one-sixth less shortening per cup of butter.

9. When soaking a dish in which porridge was cooked, is hot or cold water used? Porridge is a carbohydrate, therefore, all carbohydrates are soaked in hot water. Protein foods are soaked in cold water.

10. What amount of vinegar is added to sweet milk to approximate normal acidity of sour milk? On the average 1-2 taspoons of vinegar per cup of sweet milk is added.

Light is to reading what facts are to intelligence.

Now more than ever
your best capacity buy--
The John Deere Low-Line 65 Combine
gives you
10 per cent more capacity
for your money

Big capacity per dollar invested has always put the 65 Combine at the top of the pull-type combine list. Now, with larger separating and cleaning units, the Low-Line 65 has 10 per cent more capacity. It's more than ever your best capacity buy.

New low lines mean the 65 is easier to store. It's only 9 feet 3 inches high—stores in most machine sheds with ease. And, there's a fold-back unloading auger to reduce width.

You get such well-known advantages in the Low-Line 65 as a double-ram hydraulic platform . . . positive auger and steel conveyor feeding . . . 90 per cent separation in the cylinder area . . . easy-to-make outside adjustments . . . and high-grade sealed bearings at every major wear point. All these features added to the many new advantages truly make the Low-Line 65 today's most up-to-date combine in its class.

Come in and let us show you the new Low-Line 65 Combine with PTO or engine drive the next time you're in town. Our credit plan makes ownership easy.

AGRICULTURAL SOCIETY NOTES

PERRYVALE — The June 25 meeting of the Athabasca Agricultural Society was well attended, though we would have appreciated a few more of our directors on hand. There were 15 present.

The Rodeo Queen contest is getting underway. We are still hoping for another entrant or two from outside areas. At present time we have Colleen Senz, sponsored by the Athabasca 4-H Clubs, Beef and Dairy; Bernice Thomas, sponsored by the Athabasca Legion; Geraldine Boehlke, sponsored by the Grosmont Community Club; Margaret Dulaska, sponsored by the Athabasca CWL; Marion Goode, Ellscott, sponsor not yet named, and we are hoping to have two or three more from other areas. Let us hear from you, 15 to 21 year-old girls.

The Rodeo Queen Committee is headed by first Vice-president Joey Eherer, and his helpers will consist of Mrs. R. Berrea, who is in charge of all "Queen" tickets, and the person who is appointed to take care of tickets and monies by the sponsoring groups. Twenty books had been given out to each contestant as she entered, and they were all limited to this number until the 26th of June. Then 50 books could be secured by each group. More books will be made available upon the return of stubs and monies, book for book. All ticket sales are to end on Saturday, Aug. 4, giving the committee time to total all sales before the fair. No information is to be given out as to who may be in the lead. We consider this to be the only fair way to all concerned.

The school children competition is receiving a lot of attention at the present time. Prize lists are in the hands of the teachers at the various schools, but entry tags and entry forms are not so well distributed. However, any one school not in possession of these can make an entry of their own, and then tags can be affixed later. In this case, we hope a note will be dropped to the school committee chairman, Mrs. Alice Donahue, Athabasca, who will do her best to see that the exhibits are cared for. All exhibits for this to be boxed and left in the County Office at Athabasca.

With the annual bingo being held on July 12 this year, a full week ahead of last year, it does not give us too much time to concentrate on it. The pre-sale of tickets of late years has not been as successful as we would like to see it. Perhaps not enough people in the district are aware of the use to which the money from the bingo is put. All money above expenses, goes to the building fund. Until we can complete the barn, we will not be able to attract the numbers of livestock we all would like to see at the fair. As it is now, the beef cattle are taken home the first evening to make room for the dairy stock on the second day. This means that anyone who only attends one day of the fair, only gets to see the stock present on that day. This is a community-wide effort and deserves the support of the community and district at large. In previous years it has been a car bingo. This year we have changed to a cash bingo. The main prize is $1,000 in cash, and the other big prize is $350. There are 12 games to be played and the other 10 are all $50. There is also a $50 prize on pre-sale tickets only. The winning ticket will be drawn during the bingo.

There is to be another booth ready for the bingo to help serve all the folks who wish refreshments at the 'half-way' mark. This booth will be placed to avoid so much congestion, and make it easier to get to and from cars.

The bingo is again under the able chairmanship of R. E. Hall who has always given the Society freely of his time. May we look forward to a healthy sale of tickets before the bingo and a sell-out crowd at the bingo . . . remember . . . July 12, starting prompt at 3 p.m. Gates open at 1:30 p.m. Place: Jubilee Park on the south hill, Athabasca.

Through the courtesy of the Athabasca Co-Op store and bulk oil station the fair grounds will this year have a "rest centre". This will be a large tent with benches for folks to rest and enjoy the shade. Cold drinking water will also be available. This will find a need lacking at our previous fairs, and avoid the congestion we have had in the school where the indoor exhibits are. Older folk especially will appreciate this. Our thanks to the Co-Ops!

A riding horse show will be held in the rodeo arena on the first day. Harry Sodergren in charge.

This is a new item on our entertainment list. Just how far we can go this year will depend on the number of riders and horses that will show up for the fair. This will probably be a "working saddle horse" show, tho' there may be a "barrel race". There is nothing definite as yet. However this could lead to one of our "local talent" forms of entertainment. This year it will be an experiment, and if it goes over as good here, as elsewhere, should be an attraction.

The Government of Alberta, department of industry and development, will have a display on the grounds and there will also be an M.S.I. truck on the grounds.

The Elks Lodge of Athabasca will manage our parade. With the Rodeo Queen sponsors having a float, with some local floats, saddle horses . . . exhibitors as well as rodeo saddle stock, it could be a colorful sight.

The Chamber of Commerce has kindly taken over the advertising for the fair board. The C of C has been a great help to the Society in what ever capacity it has been asked to assist. We need more farm help in the construction of the rodeo corrals and arena, on which work has already commenced. Frank Dulaska, our president is chairman of the grounds committee and he will be glad to have your assistance. This is a community enterprise and as such warrants your help. Aug. 6 and 7 will be around before you can say "Whoopee".

Venice

Adoria Gingras and Ben Ferro have gone to Westlock where they will be employed on the construction of a school.

Father Bissonnette attended the blessing of the new church in Vimy last week.

James Rowland from Edmonton will spend a week visiting his parents.

Mr. and Mrs. Joseph Bosse of Plamondon were recent guests at the home of their daughter and son-in-law, Mr. and Mrs. Fred Fornari.

Christopher Biollo is home for his summer holidays after attending St. Mary's school in Edmonton.

90% of all oil company product research in Canada is done by Imperial

At Sarnia, Ontario, and Calgary, Alberta, Imperial operates the largest petroleum research laboratories in Canada. At Sarnia, the company's scientists and technicians are working to improve present products and to develop new ones. Their research covers many fields, from gasolines to household detergents. At Calgary, Imperial research personnel are exploring means to find and produce more Canadian crude oil and natural gas. Imperial does more research than all other oil companies in Canada combined.

Memorial Service Honors Missionary Centennial

By A. SOLAR

VILNA—On the north shore of the North Saskatchewan River, about 12 miles south of Smoky Lake, stand the buildings of Fort Victoria.

To the south, the river bank rises steeply and towers over and above the north shore. There is a defile breaking through the south bank to the southwest.

Here the Hudson's Bay Co. built a fort in the year 1862 to compete with the free traders who were active in the vicinity. To this fort area came the Methodist brothers, George and John McDougall. John McDougall brought his wife and family.

In the great smallpox epidemic of 1870-71, John McDougall suffered a grievous personal loss when he lost his wife and three daughters in a short time. Just west of the church is a little churchyard with markers spelling out the tragedy.

Several miles west of the post is the cemetery that was later dedicated to public use.

Beside the church stands a stone cairn testifying to the history of this first attempt to root a settlement in the vicinity.

Today, Fort Victoria is a lone, sandy expanse of land. There is a "for sale" sign on the door of the only store. To the south is the prosperous town of Smoky Lake. To the east, the west and the south other towns have prospered because the railway, the soil, or the highway favored them. Yet this barren spot breathed on the spark of life that made these other places possible.

The Rev. S. M. Hutchinson is writing a book on the history of Fort Victoria.

About 200 cars were present at the 100th anniversary memorial service held at Pakan Sunday, June 24. Picnic lunches were opened, and in one happy reunion, older memories were refreshed. There were misfortunes and there were glories in the past.

Many Cree people were among those assembled to honor the memory of the Revs. George and John McDougall and their helpers who established here the Victoria Methodist Mission.

A part of the inscription on the cairn at the church reads, "They preached the Gospel to the Indians, educated the children, introduced agriculture and succoured them in the smallpox epidemic of 1870.

"For more than a decade, it was the outstanding Protestant Mission in what is now the province of Alberta.

"West of the cairn rests the bodies of Flora, Anna and Georgiana, daughters of Rev. George McDougall. Anna was an adopted daughter. The body of Abigail, wife of Rev. John McDougall, rests here also."

James Steinhauer, who read the scripture lesson, is himself a link with our missionary history. He is the grandson of the Rev. Henry Steinhauer, one of the first two missionaries sent into western Canada by the Canadian Methodists in 1855. It was the Rev. H. B. Steinhauer who aided the Rev. Thomas Woolsey and John McDougall to construct the Victoria Mission station in 1863, though evidence now indicates that the work was planned in 1862, just one full century ago.

Progress has come too fast, and the old has been forgotten before its virtues could be passed on to build the new. Progress has been imparted and forced upon us. It hurts the old timers to see the God they loved be pushed aside to be superceded by the new gods, albeit necessary and successful.

The storekeeper at Fort Victoria, which is now called Pakan Ferry, keeps up the factor's house and has made the yard into a place to visit. Over the gateway hangs a sign, "Come in and bide a wee".

If the resting souls should rise and live again for a day. If the Rev. John and George McDougall should come and see, they would find a quiet, verdant hamlet resting peacefully in the sunshine. Quietly the ferry is moving the eager tourists from north to south shore.

It is possible that if these resting souls should rise and walk for a day, they would bless the events that made things as they are.

Baptism Service

INNISFREE — Following Holy Mass held in St. Patrick's Catholic Church here on Sunday, June 10, Father Ayling of Vegreville conducted a baptismal ceremony, when the infant daughter of Mr. and Mrs. Steve E. Chorny was given the names Sandra Elaine, god-parents were Mrs. M. Tym of Innisfree and John Krebanowsky of Edmonton.

After the ceremony a dinner was enjoyed at the Chorny home, with guests. Father Ayling, John Klebanowsky of Edmonton; Mr. and Mrs. Mike Tym and Mr. and Mrs. Tony Jasinski of Innisfree; Mr. and Mrs. George Spak of Vegreville; Mr. and Mrs. Bill Kluchka, Vermilion; Mr. and Mrs. Nick Klebanowsky of Lavoy.

Innisfree UCW Presents Gift To Mrs. F. Andrews

The Innisfree United Church Women's group recently held the June meeting at the Manse in Mannville as guests of Mrs. F. Andrews. There were 15 members and four visitors present.

The President, Mrs. Mary Stepanik presided and the meeting was opened with the members reading the creed, after which followed the devotional on "Pentecost", and prayer read by Mrs. M. Davison. A solo, "Forget-Me-Not", was sung by Mrs. W. Taylor with Mrs. H. Dickson as accompanist.

The usual business was transacted in order and a report on periodicals given by Mrs. Taylor, Mrs. William Ross of Mannville, who attended the Alberta Church conference held in Calgary as delegate for this charge gave an enlighting report on M and M, Missionary and maintenance. Plans were also made for a clothing drive. Good, clean, used clothing will be gratefully accepted and sent to the Missions—any donations are to be left with Mrs. W. Tym or at the Church.

The manse representative, Mrs. June Mackenzie, reported on some additions and repairs needed in the Manse before the new Minister, Rev. G. Whitford, and family arrive.

The meeting was then adjourned and a lunch was served by Mrs. Andrews and UCW hostesses Mrs. W. Fulkerth and Mrs. Mackenzie. The president presented a cup and saucer as a farewell gift to Mrs. Andrews with the good wishes of all present. There will be no meetings in July and August.

Hospital Celebrates Fiftieth Anniversary

ISLAY — The regional hospital convention was held in Islay June 21.

Being Islay hosiptal's 50th anniversary, a banquet was served by the United Church Women in the community hall at 12:30 noon. Places for 100 were set.

Doug Sheriff was chairman; Allen Ronaghan was guest speaker at the dinner, giving a historical address. He begged the people to preserve all records in a safe place, records of meetings, incidents, anything of interest, write them down to keep.

The visitors then held the business meeting after which they visited and toured the hospital and enjoyed a cup of tea.

In honor of the 50th anniversary the hospital is holding open house Sunday, July 1, 2 to 6 p.m.

Happy Centre WI Meets

MANNVILLE — The monthly meeting of the Happy Centre WI was held at the home of Mrs. G. Younge, with 13 members and two visitors present. Minutes of the previous meeting were read and approved.

A letter was read in regard to the Recreation Centre, which seems to be quite favorable.

Some of the members planned to take in two days of the workshop held at the Vermilion Agricultural College in June. It was decided to drop handicrafts for hobbies for the next conference. It was also decided to enter eight articles in the Vermilion fair.

Mrs. Hubbard gave her report on the recent WI conference held in Mannville.

The quilt raffle was won by Mrs. Herb Sturt and the pig-in-the-poke by Mrs. R. Scott.

The next meeting will be held at Mrs. Coxford's cottage at Wapasu beach. Supper is to be served at 7 p.m. sharp.

Fairwood

The final cash bingo was held on Friday, June 22 at the Fairwood Community Centre. The jackpot was won by Nick Czar and the blackout by Brenda Gafka. Mrs. Hluss of Warwick won the hand-made quilt which was raffled that night.

The wedding of Marion Gresiuk and Nester Swyripa took place on Saturday, June 23 in the United Church in Vegreville. A reception and buffet supper were held in the Warwick Hall and a dance followed. A large crowd of relatives and friends was in attendance.
